Legend

West Snyder

High School

Beaver Springs,

Pennsylvania

A Friendly West Snyder

Nestled in the valley between Jacks Mountain and Shade Mountain is a small, friendly school, West Snyder. Consisting of six-hundred and ten students from grades seven to twelve, West Snyder is located on the outskirts of Beaver Springs. The entire campus encompasses only about fifteen acres of land. Students attending this school come from the three communities of Beavertown, Beaver Springs, and McClure.

When the administration was asked what they considered to be the most favorable feature of the school, they said that the small size of the school encourages friendly and personal relations between students and teachers. The small size allows for a reasonable student to teacher ratio so that students who need individual help can acquire it easily.

A Few Changes

Throughout the years at West Snyder, the opening day of school has been much the same. During the morning's assembly, the students were made aware of the changes throughout the school. This year, West Snyder had quite a number of

to be cont. next col.

changes to boast about. Over the summer, several teachers and students gave up their free time in an effort to improve the atmosphere of the gym. The walls were repainted and then decorated with the emblems of all of West Snyder's competitors. Also, among the changes to be noticed were the divider curtains in Room 7 and the Cafeteria. The division of these rooms became a necessity due to West Snyder's growing enrollment.

No opening day could go by without the introduction of the new teachers. Our new librarian, Mrs. Dorothy Bingaman, is not really new to West Snyder. Six years ago she taught in the commercial sections. Next is the new French teacher, Miss Marker, who was soon to become Mrs. Soltis. Our commercial department has also gained another faculty member, Miss Varner. Taking over in the chemistry department is Mr. Stull who also teaches a science course. Another addition to both the science and the math field is Mr. Whitesel. Our final addition to the faculty was Mr. Schatko who will be teaching a new course, German.

After the introduction of the new faculty members, the students were made aware of the two new courses which West Snyder planned to offer.

A second foreign language, German, was to be taught by Mr. Schatko, who will spend two periods a day at West Snyder.

The second new course was offered by the English Department. Humanities, which will ...ht by Mr. Nyce, ...ible only ...iors

to be cont. next col

Facts Of West Snyder

West Snyder High School is a small, friendly institution, set in the rural community of Beaver Springs. Students, about 650 of them, come from three towns, McClure, Beavertown, and Beaver Springs and their outlying areas. West Snyder is known for it's proficiency both scholastically and athletically.

West Snyder's first year began in September of 1956, which produced a first graduating class of 52 seniors. There were 482 students in that year in the grades 7-12.

Since the beginning, the size of the graduating classes has constantly been on the rise. The smallest graduating class was 52 people(1957). The largest was 84(1972). About 1,138 seniors have graduated.

W.S. has had a very good record of post high school training success. 52% of the graduates have extended their education through post high school training. Approximately 27% of these have attended college. Only 4% of the college students have failed, while other students voluntarily withdrew to make the W.S. success rate 86%. The drop-out rate at W.S. is only 19% as much as the state-wide average.

West Snyder's sports success has been phenomenal. Consistently good coaching has produced perennially great soccer and perennially great soccer teams. The baseball and basketball teams have seen district titles flow in as well as the soccer team. West Snyder boasts two state champion wrestlers and one NCAA champ on their mat squad.

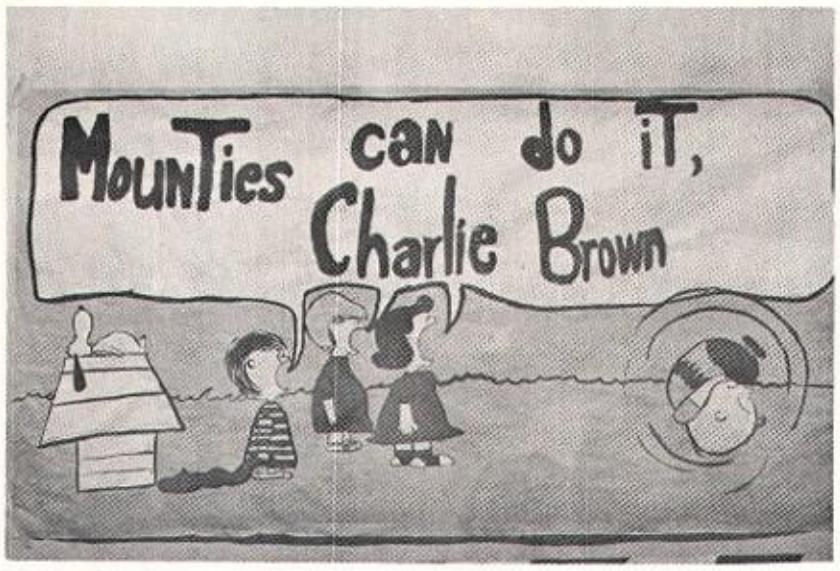
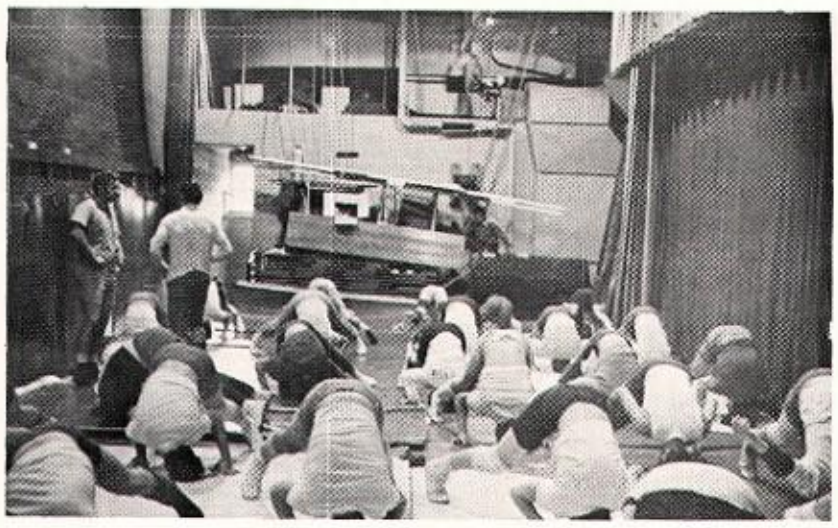
Throw me the ball quick!

Thrills In Victory, And Agony In Defeat



Mounties you can do it!



The wrestlers hard at work!

Cheerleaders lead a pep rally.

Hockey players strive for perfection.

Girl's bout with Shamokin.

Dan grabs a rebound.

Jack Scores again.

To These We Honor

David Shellenberger, as a teacher and a friend, has directed us to many achievements which would not have been possible without his guidance. Because of his unlimited resourcefulness and creativity, we have attained a new outlook on life.

The teacher who walks in the shadow of the temple, among his followers, gives not of his wisdom but rather of his faith and his lovingness.

If he is indeed wise he . . . leads you to the threshold of your own mind.

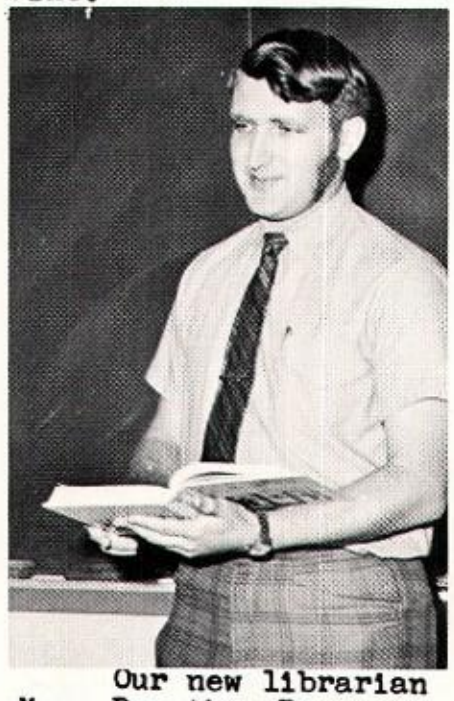
THE PROPHET

Douglas Lepley, as our advisor, has been our capable guide throughout our years at West Snyder. To him, we attribute the successful result of our many endeavors.

We, the Class of 1973, dedicate our yearbook to these two men who have given their time and efforts to make our high school years a lasting memory.

New Faces At W. S.

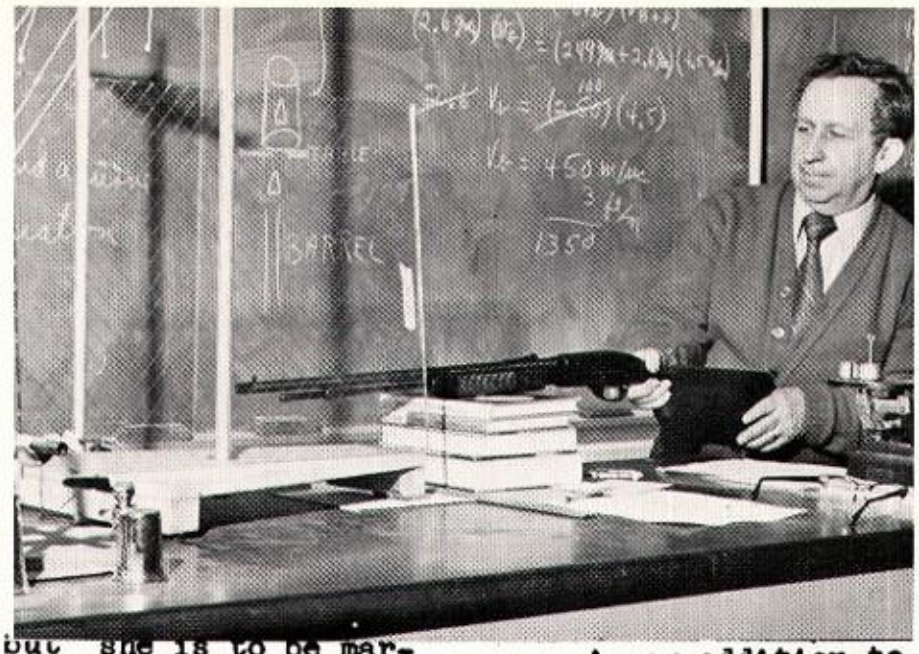
"I wonder who we are going to have this year?" Every year in August this question circulates through the Happy Valley grapevine. To avoid confusion, it should be stated that all the tongue waggling concerns the members of the faculty Although school has been in session now for almost a month, some students are still asking questions about the new faces at WSHS. The grapevine has failed to spread the info, so this paper is going to pick up the slack in the vine.



Our new librarian Mrs. Dorothy Bingman, is not really new to West Snyder. Six years ago Mrs. Bingman left her commercial classroom here to work in the elementary schools. A graduate of Upper Darby High School and Susquehanna University, she now lives in Beaver Springs. Commenting on the school, she says she is "glad to be back to the high school after being away for six years."

Beware!! There is a Mingo living in Room 5! The Chief Logan and Indiana University of Pa. graduate is Miss Diane Marker who teaches French. Miss Marker now lives in Glenwood, outside of Lewistown,

to be cont. next col.



but she is to be married in one month. She finds the "Students and teachers very cooperative."

The chemistry department has a "Flying Dutchman" this year. The Lebanon Valley graduate is Mr. David Stull. A Selinsgrove native who now lives in his hometown, he says that he "likes the size" of WSHS. In addition to his chemistry duties, Mr. Stull teaches freshman science.

Hailing from McAlisterville, Miss Nancy Varner comes to WSHS from East Juniata High School and Shippensburg State College. She has found her spot in the commercial department. Miss Varner points out that West Snyder "is a very nice school."

Still unidentified is a former Peace Corps member from Mifflintown. A graduate of Juniata High School and Shippensburg State College, Mr. Roger Whitesel teaches 7th grade science and senior high math. He served two years as a teacher in the Peace Corps in Ghana, West Africa. He observes that "the people and students seem very nice, but it is a very crowded situation."

to be cont. next col.

A new addition to the West Snyder faculty is our German teacher, Mr. Frank Schatko. He lived in Austria as a boy but attended high school and college in the United States. Mr. Schatko is a graduate of Indiana University of Pennsylvania and a U.S. Army veteran. He now lives in Beaver Springs.

School Board

At their monthly meetings, the Midd-West School Board members discuss and plan the future educational facilities which will best fulfill the educational needs of our communities.

The major issue this year is an educational assessment program whereby our school programs and buildings are being examined by an outside firm which will evaluate our current school problems.

Several answers have been proposed for solving the problem of classroom space. One solution is to add more classrooms on to our present buildings. Another solution favors construction of new buildings and reshuffling of the grades in these buildings. Such a rearrangement of grades could be the placement of kindergarten through fourth, fifth through eighth, and ninth through twelfth in separate buildings.

Whatever change will evolve, it will affect the futures of all students. The curriculum will probably undergo a change as would a change in extra-curricular activities.

Under the newly elected President, William Kepner, and Vice-President, George W. Robinson, the Midd-West School Board is engaged in finding the best solution to this puzzling situation.

to be cont. next col.

Tradition Lies With Teachers

Some people may ask, "just what makes West Snyder a great school." The answer to this question is very simple, "It's faculty."

One third of the faculty has been teaching at West Snyder for over ten years; and at least two thirds have been teaching for over five years which gives West Snyder's faculty a high rating in teaching experience. Mix this with the fresh new ideas of the younger teachers and you've got the makings of a great faculty. One third of West Snyder's faculty have a Masters degree, which is another reason why teaching personnel at West Snyder are second to none. These teachers are the reason for a great tradition at West Snyder.

Administration: The Guiding Light

Dear Seniors:

It seems to be a natural phenomenon that the tone for the school climate is normally set by the Senior Class. Good Senior leadership manifests itself throughout a school.

As I reminisce about your accomplishments during your stay at West Snyder, I am reminded of numerous things you initiated for the first time which were well executed.

Our "thanks" for the fine leadership and contributions you have provided to your alma mater. May you provide the same leadership to your future community and may your contributions be equally evident and rewarding.

Sincerely,

Norman E. Kline

Norman E. Kline
Principal

From The Rock of Experience

Dear Seniors:

Much advice has been given over the past twelve years to prepare you for the future. It is my sincere desire that this advice and our association has given you the necessary tools to make your lives full of happiness, fame, security, wealth, and a comfortable living.

Your main objective in life should be to help others no matter how small the task may be so that when you meet your Creator. He may say, "Well done – today you will be with me in Paradise."

Sincerely,

Warren R Dutrow

A Time For Us

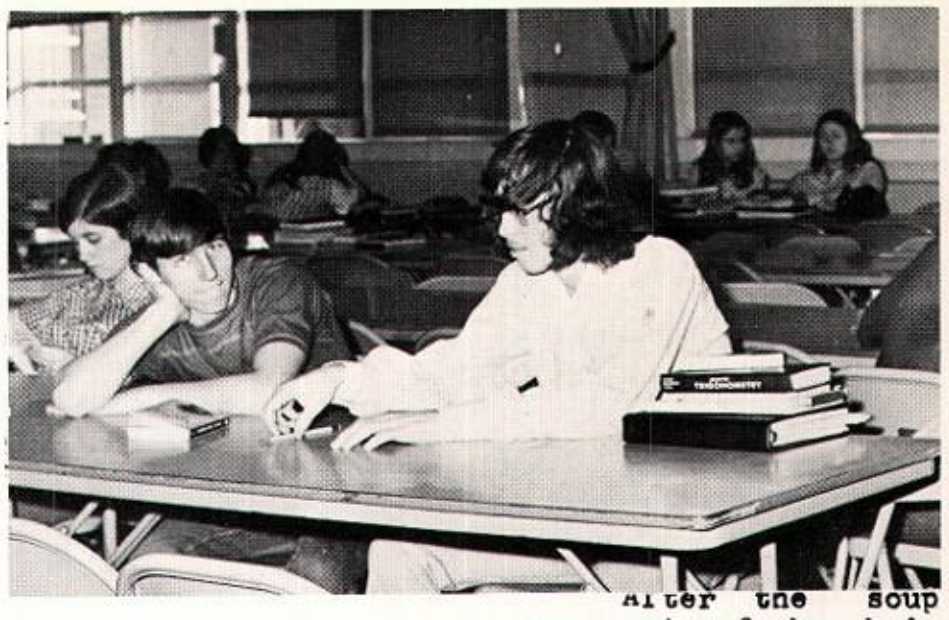
On April 28, 1972, the West Snyder gym was alive with the sounds of the Junior-Senior prom. The Junior class, under the capable leadership of Max Lash, began decorations about a month before the prom. Since the class didn't like the idea of purchasing a ready-made kit for the theme, they decided to start from scratch to create an enchanting picture of the city of Verona. The theme was "A Time for Us", with the city

to be cont. next col.

of Verona and the Shakespearian setting being the main attraction. John Snyder, chairman of decorations, was aided by Mr. Shellenberger in drawing up plans for the gym.

A new development took place at the prom last year. The court was, as usual, selected by the Juniors and Seniors, but only those who attended the prom voted for king and queen. Teresa Bubb and Dale Wright were crowned queen and king by 1971's queen, Joni Bishop. The court consisted of Jayni Bishop, Brenda Norman, Bonnie Hackenberg, Deb Bingaman, Jerre Aumiller, Dan Knepp, Mark Swanson, John Snyder and Peter Wheatley.

"Johnny Miller and the Starlighters" entertained the couples with dance music until 12:00 p.m



Aggravated Agnes

It's Saturday night and Beaver Fair time has come and gone. Agnes sits wearily amid the clutter of the Senior Class Stand recalling the events of the day.

Earlier that morning at precisely 9:00 AM, she had worked laboriously to remove a blockade of dishes from the doorway in order to enter the stand. Agnes finished the chore only minutes before noon rush or "tractor pullers" came. Grabbing a tablet and pen, she dashed out to the tables greeting people with a smile and dishpan hands.

The first part of the lunch period had gone reasonably well and she was delivering a large tray of food to the principal and his wife. Unfortunately, a little boy put his foot out in front of her and Aggie went for an unexpected trip, which ended on the principal's lap.

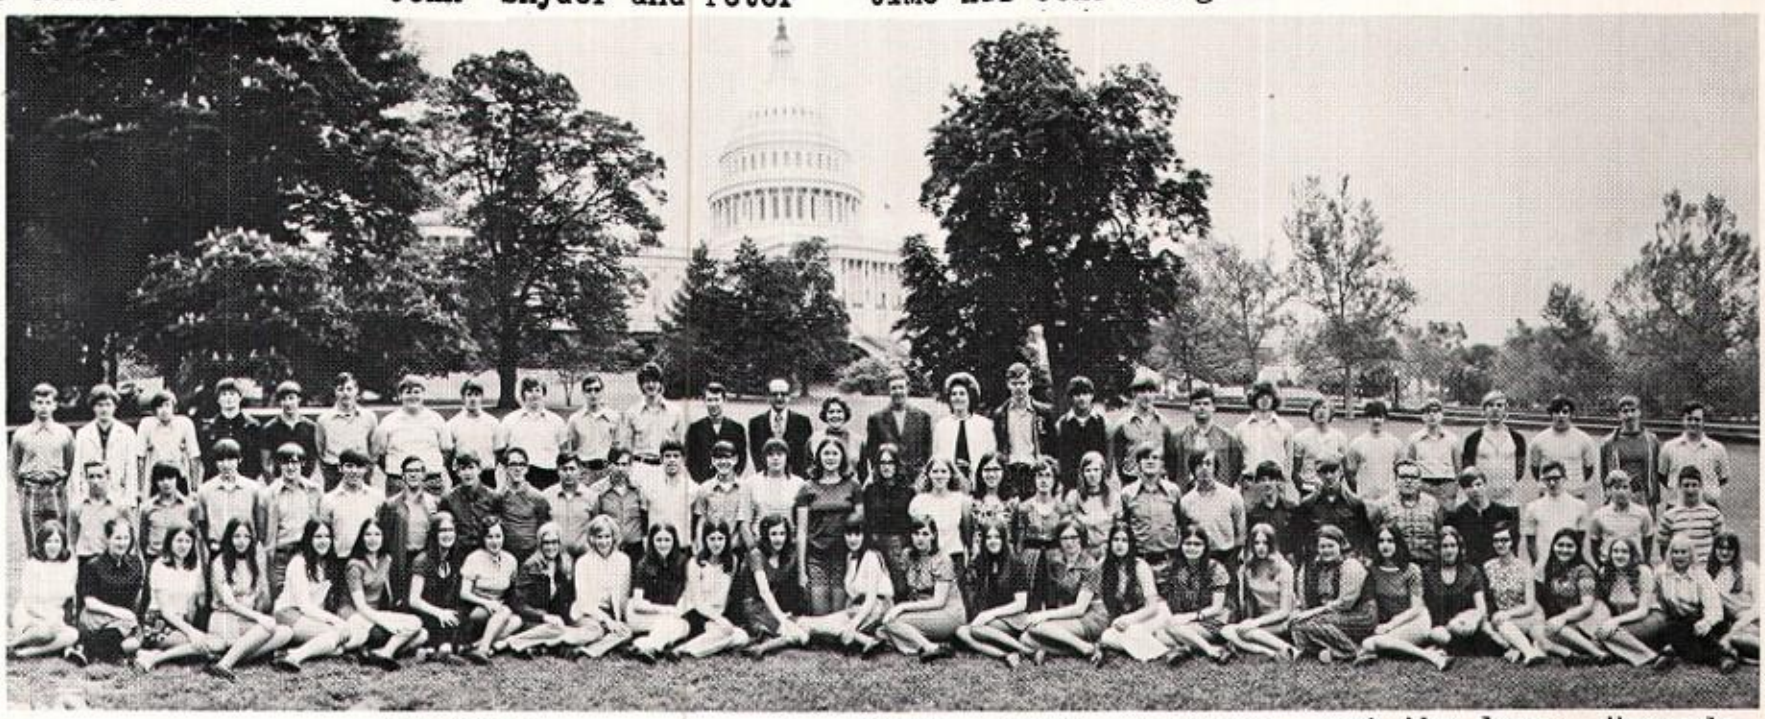
to be cont. next col.

After the soup was out of her hair and off her clothes, it was dishwashing time again. Surprisingly enough, this was done without any misfortune. Very happily, Agnes scampered off to throw the dirty water out the door. Seconds later, a very drenched class advisor ordered Aggie to try frying hamburgers for a change of pace!

Aggie was frying burgers to beat the band and decided to turn up the burner to speed up production. She got more heat than she expected when the stove caught on fire. Agnes, in a futal attempt to make things right, used the fire extinguisher to outen the flame and also coat the kitchen with white dust!

For some reason or another, all the Seniors have left the stand and a terribly aggravated Agnes sits among the mess, pondering over the situation. Startled by footsteps, she looked up into the face of an unknown Junior who said those famous words---"Wanna buy a hoagie?"

WSHS



The Seniors Travel

What were 89, bleary-eyed Seniors doing milling around the streets of McClure, Beaver Springs, and Beavertown at 4 a. m. on May 19, 1972? Easy, they were waiting for their buses to carry them off on another fascinating class trip. Their destination was Washington, D. C.

First stop for the class was the Capitol. Next came the White House and then in succession came the National Archives, the F.B.I., and the Smithsonian Institute. The day was capped by the viewing of the musical, "Godspell", at Ford's Theatre. Finally, a group of weary Seniors boarded the buses and started the long trek home.

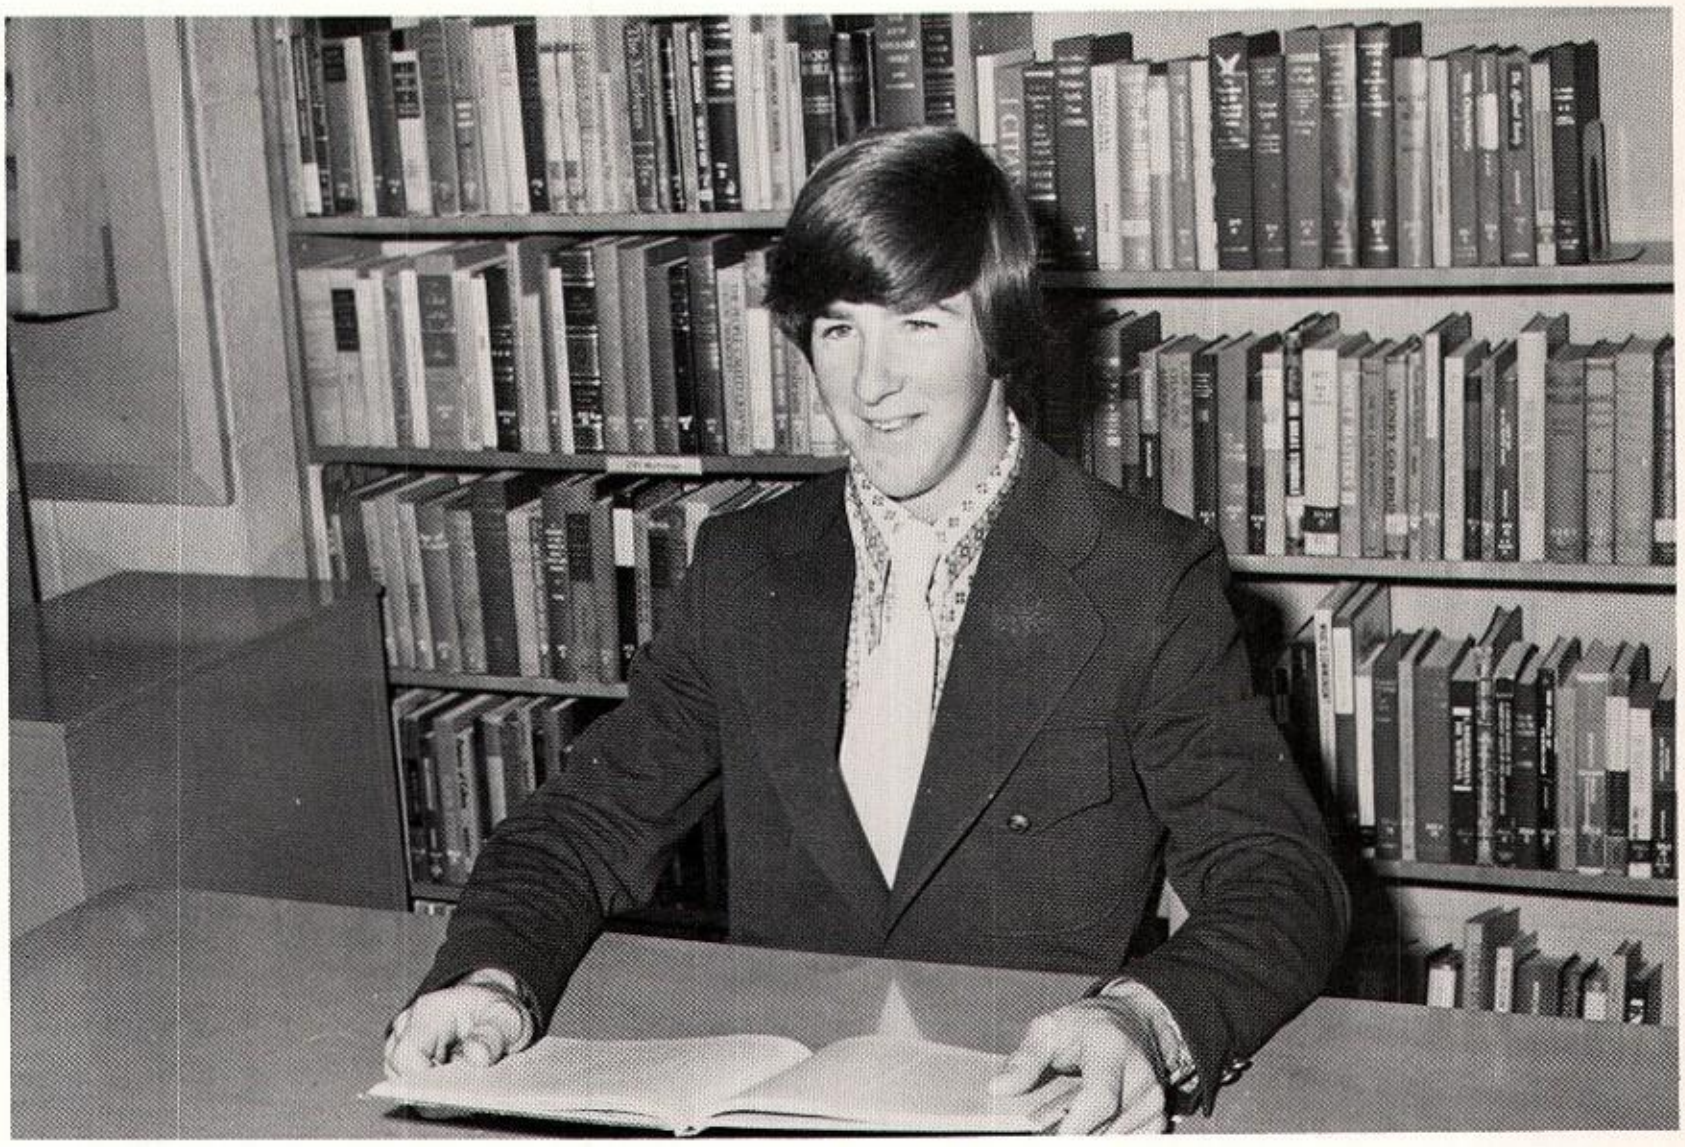
Our Bloomin' Aussie: Peter Wheatley



My year in America has been a very rewarding one. Learning a new culture was, in itself, a wonderful experience.

It has been a great step for me to come from Kangaroo Country to Deer Country, and I was proud to be part of this West Snyder District.

To the student body and faculty at West Snyder High School, I would like to express my deepest appreciation, for allowing me to be a member of your school system.

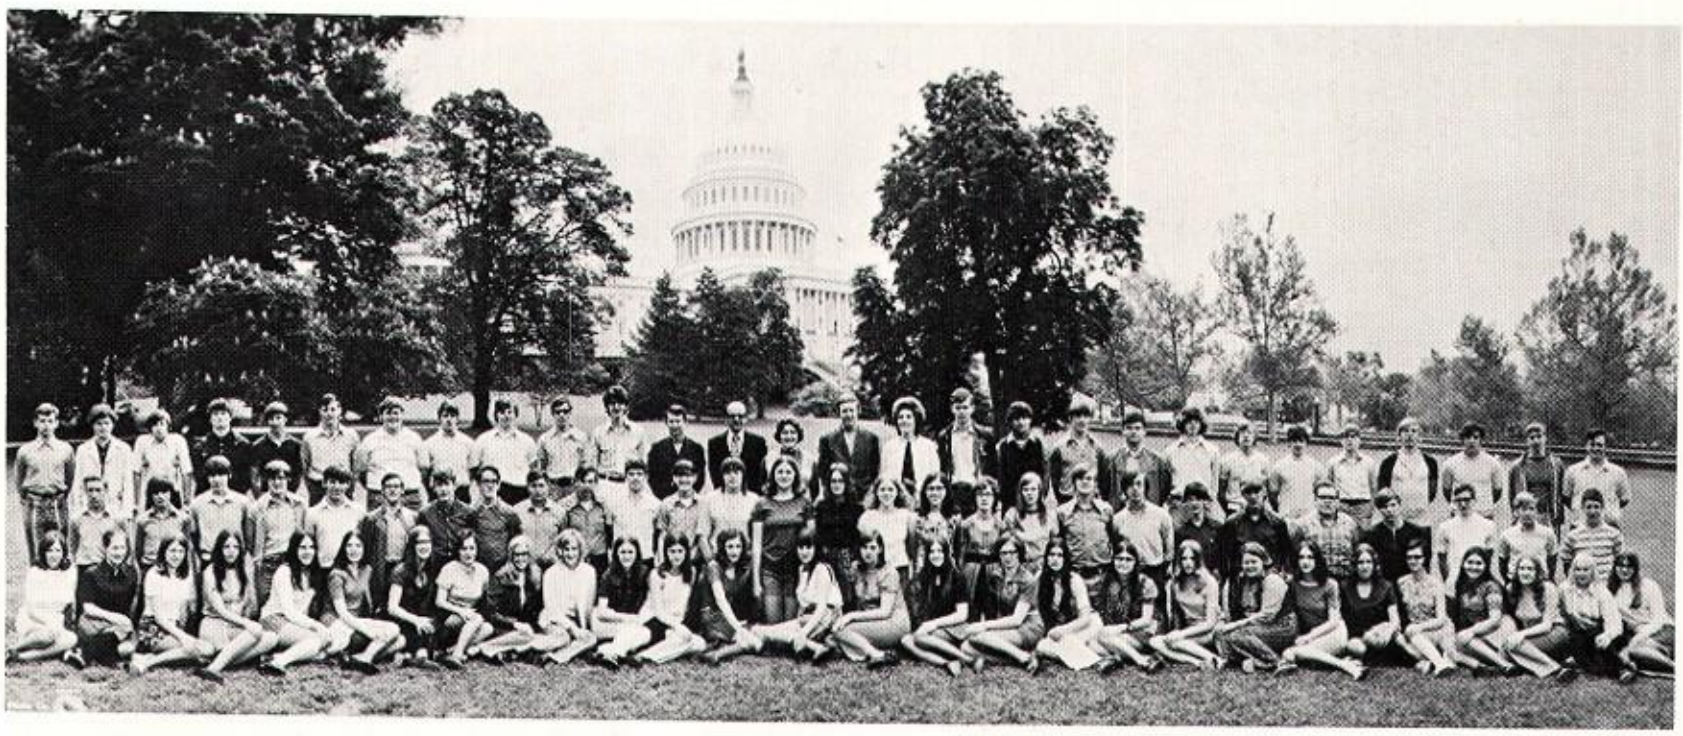
My most sincere thanks go to the West Snyder Rotary Club, and my four host families for participating in this International Youth Exchange Programme, of which I was a part.

Lastly, I would like to say that I came to Snyder County with the intention of modeling myself around the young people that I met. I just hope I have achieved this goal. Thank you for all your friendship,

Peter Wheatley
Australia,

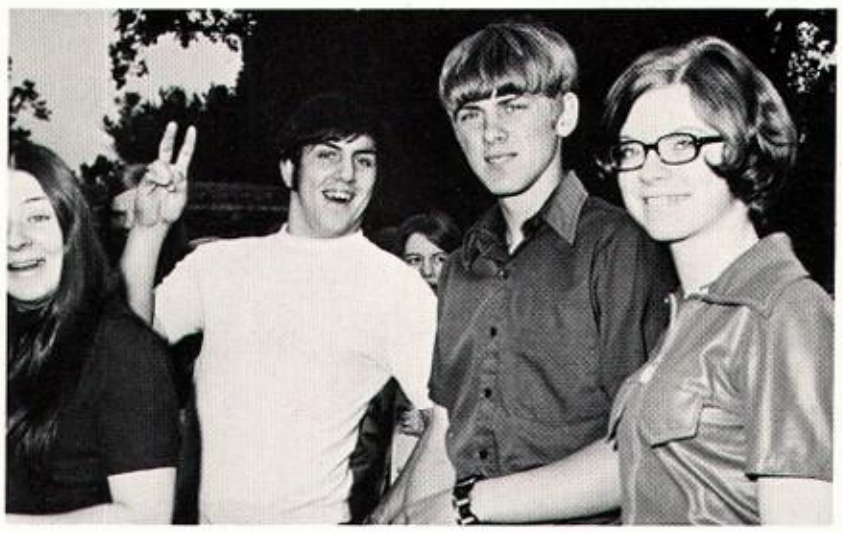
Peter Wheatley.

Seniors Invade Washington

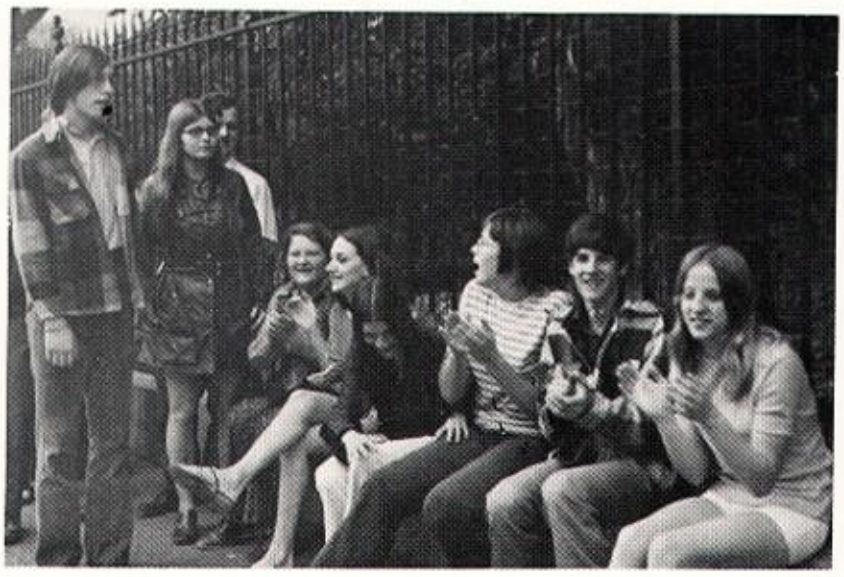


The British weren't the only ones to invade Washington! At 4:00 A.M. May 19, 1972, the Class of 73 began their trip to the nation's capital. Arriving at 10:30 A.M., the army of Juniors first pillaged the Capital. Then, under the leadership of Mrs. Margie Krebs, Mr. Douglas Lepley, and Mr. Roger Guss, the Juniors went on to the White House, which was the highlight of the morning. After the fall of the National Archives in the early afternoon, the nation's law enforcement agency, the F.B.I. was put under seige by the Juniors. After this victory, the Class of 73 went on to Arlington Cemetary and the Smithsonian Institute. The day was capped by a visit to Ford's Theatre where the class viewed the musical "Godspell."

Victorious, the Juniors then began the long march home!



Yes Mr. President?!



Sit down demonstration.

The Rob Rager Comedy Hour.

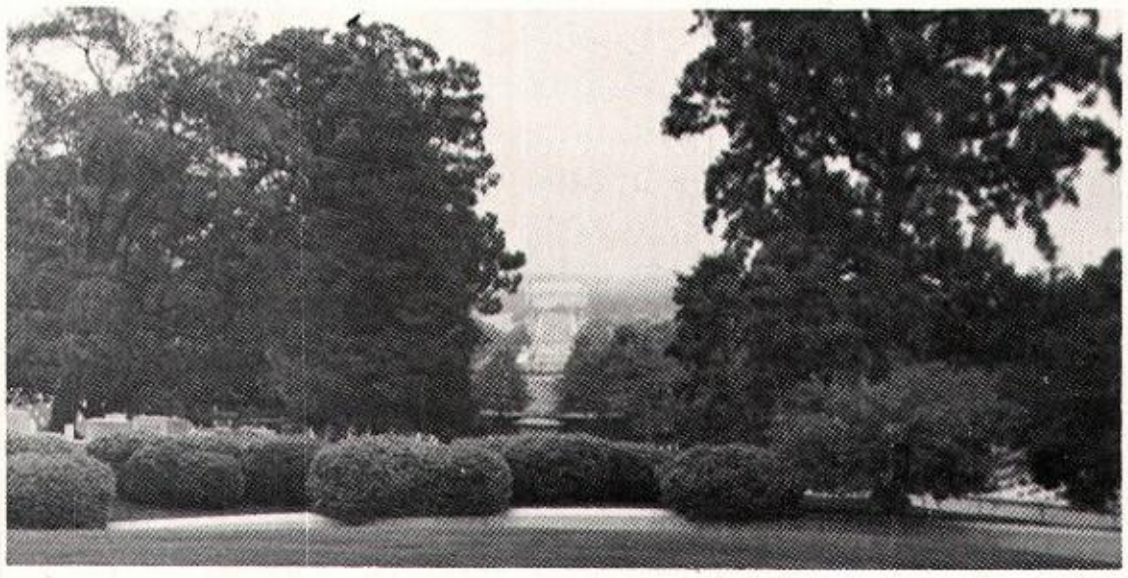
About face!

Washington or bust!

And Return Victorious

Charge!

Follow the magic umbrellas!



Scene from Arlington National Cemetary.

Seniors cram for finals!

West Snyder's High Society.

It's a bird, it's a plane . . .

Junior High Intramurals

With the intramural season well under way, 9-3 currently leads the basketball segment. However 8-1 and 8-4 homerooms are right behind. Overall height of the 9-3 homeroom has made them the leading contender for the championship. Although 8-1 and 8-4 homerooms are lacking in height they do possess extreme speed and quickness. The three showdown games should prove to be exciting.

Turning to the ping-pong segment of the intramural program Ivan Hassinger and Bob Bowersox have advanced to the finals in the senior high singles tournament. The final game will be unusual in that both players are lefties.

The junior high ping-pong tournament so far has been quite competitive. A massive entrance of players has made the tourney one of the most competitive in years. With all this competition Doug Moyer and Brian Hassinger are leading contenders for the championship.

Last but not least is the intramural volleyball tournament. Thus for 8-3 and 8-1 homerooms are in first place and it appears that the showdown game between these two powers will decide which homeroom wins the championship.

Class Stands

The 1972 Beaver Fair has come and gone and only memories of hard work and sacrificies remain. Once again, the students at West Snyder have outdone themselves in an effort to make this the best Beaver Fair ever. The following final reports reveal this exceptional year.

Selling only soft drinks, the seventh graders took in $204.41. After the expenses were paid expenses were paid, their total profit was $50.75.

The eighth grade, selling french fries, pop corn, and baked goods, totaled only $68.49 more than the seventh grade in gross receipts. Surprisingly enough, their total profit was $213.69.

Ham and fish sandwiches, and ice cream were the specialties of the Freshmen. They took in $314.55, and ended up with $131.23 profit

to be cont. next col.

The next menu, which consisted of pizza and soft pretzels gave the Sophomores $343.67 in gross receipts, and a profit of $125.21.

The Juniors, having an exceptional year with their hoagie and soft drink sales, cleared $684.80 out of their gross receipts of $1251.70.

Last, but not least, the Senior Class had gross receipts of $1540.00 with their sales of soup, hamburgs, hotdogs, bar-b-que, pie, ice cream, and drinks. The Class of '73 ended their last Beaver Fair with a total profit of $758.25.

The Overall gross receipts including Fair Booth money and items sold after the fair were $4492.08. Expenses totaled $2503.14, leaving a profit of $1988.94.

Junior High Magazine Drive

Due to the efforts of the hard-working Junior High students, West Snyder has again been victorious. This year's magazine drive has been another success. With the help of the homeroom captains, magazine drive managers, and homeroom teachers, the ambitious young salesmen surpassed their designated goal of $5,250 by $319.76, making a grand total of $5,569.76 in sales.

to be cont. next col.

For their efforts, all students who sold two or more magazines selected prizes from a prize chart. Depending on the number of magazines sold, the students received prizes from various levels on the prize chart. The rewarding of prizes produced incentive to sell more magazines. Also, the sellers of certain popular magazines received extra bonus prizes.

The magazine drive produced other benefits. Two ice cream parties, one for the highest homeroom on the first day of the drive and the other for the highest homeroom at the end of the drive were enjoyed by the students who submitted subscriptions on the designated days. Also, the student body enjoyed a full-length Walt Disney movie during regularly scheduled class time.

Individual success was achieved by Gwen Kaufman, eighth grade, and Pam Heimbach, seventh grade, who tied for highest salesman by each selling a total of 23 subscriptions.

The homeroom which sold the most subscriptions on a per student basis was Mr. Miller's, 8-3. Mr. Botdorf's homeroom, 7-2, placed second.

Individual homeroom results are as follows:

Homeroom	Orders	Amount
7-1	97	$517.09
7-2	152	785.23

This thing's for the birds.

B-17 BINGO!

Jr. Green thumbs at work.

The "New Everly Brothers"?

Walking the last mile.

You're off beat Diane.

Play

Attention drama fans and playgoers! Another first will be coming to the West Snyder stage November 10 and 11, 1972. "Arsenic and Old Lace", written by Joseph Kesselring, is the story of two old maids in Brooklyn who enjoy poisoning lonely old men and burying their bodies in the cellar. The two sisters, Abby and Martha Brewster, really think they are giving these old men eternal happiness by killing them. The plot is further complicated by the appearance of the three nephews of Abby and Martha, one of whom really is a murderer.

In addition to the acting, the set of this production should prove to be of professional quality. Mr. Shellenberger has indicated that the set will be completely furnished with authentic antiques on loan from a local dealer.

To find out more about the fate of the Brewster family, come to see the annual fall play.

The cast includes (in order of appearance): Abby Brewster, Kim Kline; Rev. Dr. Harper, Tom Everly; Teddy Brewster, Max Lash; Officer Klein, Barb Gross; Martha Brewster, Beth Henry; Elaine Harper, Patty Eater; Mortimer Brewster, Tom Leipold; Mr. Gibbs, Alan Wray; Jonathan Brewster, Dan Mattern; Dr. Einstein, Mike Clark; Officer O'Hara, Mike Timblin; Lt. Rooney, Tom Everly; Mr. Witherspoon, Alan Wray; policewoman, Bonnie Hartman; secretary, Marci Stallone; Susan Frey, student directress; Officer Brophy, Roy Wagner.

Homecoming

On October 20, 1972, West Snyder was the scene of a prospectively new annual event. The fairgrounds were transformed into the scene of West Snyder's first Homecoming. Despite the cold weather the event was a success as demonstrated by the attendance of approximately 250 people.

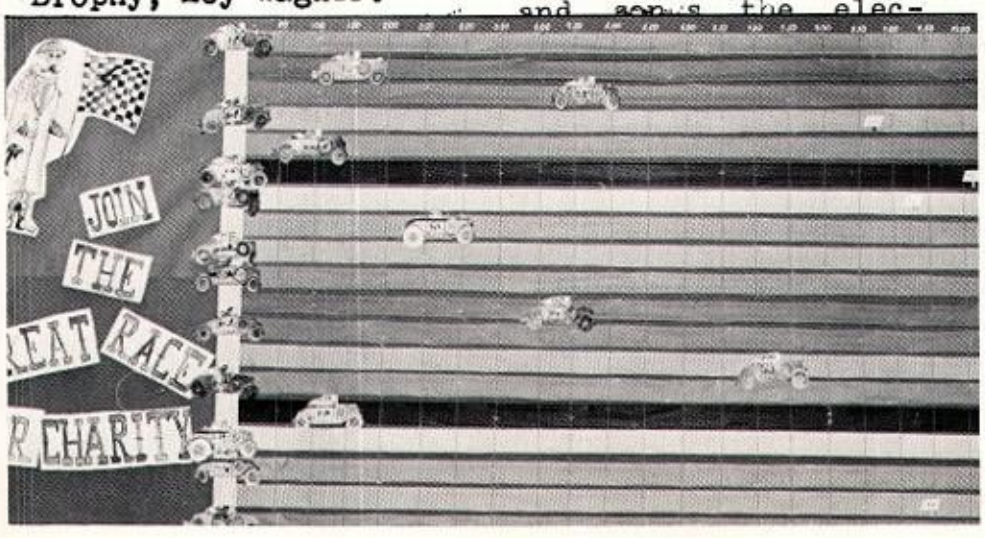
Acting as Master of Ceremonies, Max Lash began the night's events by introducing the court. The Homecoming court was elected by the student body and included Barb Shambach, a Sophomore; Cheryl Shambach, Patty Eater, and Kim Kline, Juniors; and Dixie Rice, a Senior. The girls wore long gowns and carried long-stemmed red roses.

The next center of interest was the bonfire, an appropriate spot to be on such a cold night. With the help of Peter Wheatley and his committee, the logs were cut and piled in the old traditional manner of the Boy Scouts. While the cheerleaders led the fans in cheers and songs the election booth was prepared for the final voting.

With all of the votes in, the fans' attention was turned to the skits put on by the cheerleaders and the soccer players. Immediately following the skits, Max Lash announced the winners of the poster contest. First place was awarded to Jeanette Carper, Cheryl Shambach, Cheryl Yetter, Darlene Rigel, and Roy Wagner. Second place was given to a group including Steve Knepp, Jack Knepp, Ivan Hassinger, Karl Krick, Mike Erb, John Snyder, and Doug Dean who were representing the Varsity Club. Ranking third in the competition was the Sophomore Class which was represented by Tom Everly, Dianne Kline, and Marci Stallone.

The part of Homecoming which everyone was anxiously awaiting was naturally held until last. At this time, the Master of Ceremonies announced the queen of the Homecoming, Cheryl Shambach. Cheryl had been nominated by the F.F.A. and as queen, she received a bouquet of red roses. Runner-up was Dixie Rice.

Due to the success of our first Homecoming, it is possible that this event will become another West Snyder tradition.



100 Days Left

Curriculum

A student at West Snyder may find himself facing a difficult situation. Which curriculum will best fit his needs. West Snyder offers a wide variety of programs of study making this decision all the more difficult.

For the student with college on his mind, the academic curriculum is available. This course of study is designed to lay a foundation on which a college education may be built. In addition to the required subjects, the academic student may choose from many electives which include s foreign language, advanced courses in mathematics and science, journalism, and introductory vocational courses.

For the student who plans to enter the world of business after graduation, the Commercial Course offers the best opportunities. This curriculum offers a large amount of skill and know-how to anyone with the necessary initiative. The commercial student learns to type as well as operate other office machinery which is widely used within the context of the business office. Shorthand is also available.

If it is a vocational education you require, West Snyder offers that too. For the males, the Agriculture Course is available. This course provides an opportunity for students with an interest in agriculture to gain some practical experience knowledge to move on into the many vocations available within the realm of agriculture. This course requires a minimum of

Another Stage Hit For West Snyder

CAST: ROW 1: Beth Henry, Martha Brewster; Kim Kline, Abby Brewster; Patty Eater, Elaine Harper. ROW 2: Tom Everly, Rev. Dr. Harper and Lieutenant Rooney; Max Lash, Teddy Brewster; Dan Mattern, Jonathan Brewster; Tom Leipold, Mortimer Brewster. ROW 3: Bonnie Hartman, Policewoman; Alan Wray, Mr. Gibbs and Mr. Witherspoon; Marci Stallone, Secretary; Mike Clark, Dr. Einstein; Mike Timblin, Officer O'Hara; Barb Gross, Officer Klein; Roy Wagner, Officer Brophy.

Well, how do you like that?

The audience rolled in the aisles November 10 and 11, 1972, as West Snyder presented the delightful comedy, Arsenic and Old Lace. The play, written by Joseph Kessebring, centered around the antics of two spinsters who populated their cellar by rather dubious means. The play marked another success for West Snyder.

I could've danced all night!

Mortimer, you're not supposed to be looking at my legs!

Did you hear the one about . . .?!

Let's get him, Abby!!

I'm going to Panama! Isn't it wonderful?

The old girls talk it over.

How's that for comfort?

Jack Webb solves another case.

Did I tell you?! . . .

Cheers!

No! You're not going to Grandfather's house now.

Me and my big mouth.

Just for that you're going to bed with no supper.

I didn't mean to do it!

Spenalzo is in a stiff stance.

The Halls Are Alive

Cheryl Shambach: Homecoming Queen.

Barb and Roy held up in "Arsenic and Old Lace."

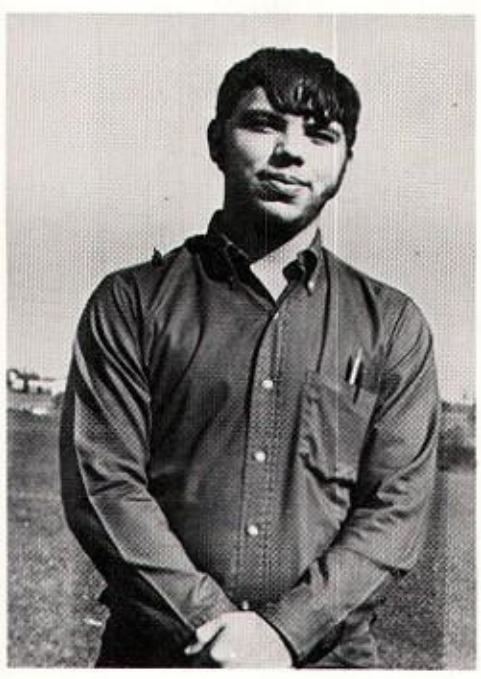
Dixie Rice: Homecoming Queen Runner-up.

Jr. High Chorus sings at Art Festival.

Homecoming queen candidates.

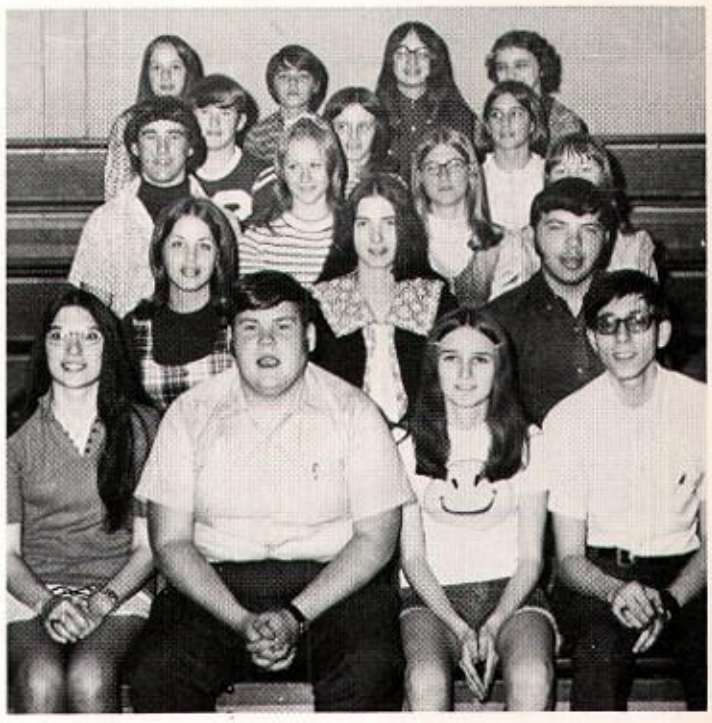
20-minute period throng in gym.

Class of "73" Prom.



Steve Wray: Student of the Month.

Spring Art's Festival.



School Officers.

Sheer boredom strikes again.

I love you floor!!!

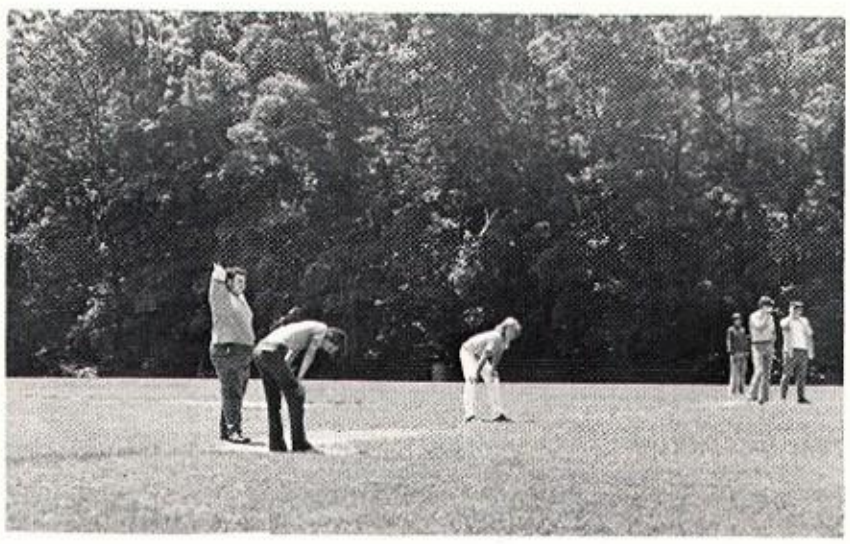
"Magic Fingers" at the typewriter.

Journalism typists hard at work???

Look out! Here comes a Teach.

Bevy, keep your hands to yourself!

Not tonight, I have a headache.

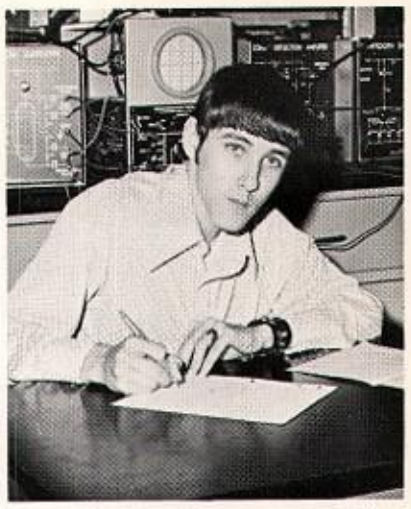


The bunt sign is on.

I don't care, Dennis!

Students view unknown hero.

Aunties, I've got this problem.



Buck ponders.

Kitchen of the Verona Cafe.

No school day, today.

Rob does his balloon dance.

The Twenty-minute World Seniors.

Mortimer, don't get fresh.

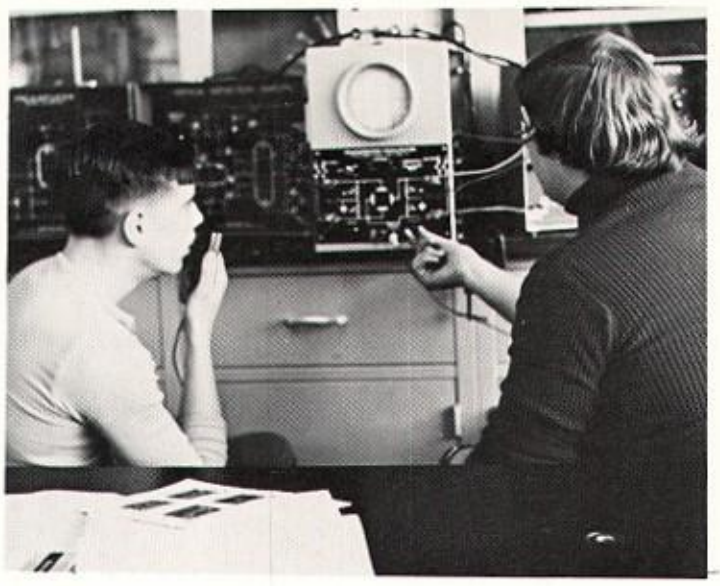
Beavertown Building Supply?

Coach! Watch your hernia.

You know where.

Wendell, you dude!

And the Lord said, "Make an ark."



Operator, please.

Max takes a picture?

Bev, what are you looking at?

We need a pinch of arsenic and a whole can of rat poison.

Students on grass.

I'm f-f-f-freezing.

Onesies, Twoseis, Threesies . . .

When the bell rings, come out fighting.

My mother never told me.

Barbara, it's like this . . .

Student Council

Criticism of the Student Council monitor system as well as worthwhile projects, has been displayed by members of the student body. Names such as "Stupid Government" have also been used to describe our Council and these are unjust.

Although the Council has been criticised for things it does there are still many worthwhile projects that the Council sponsers and promotes. For example, many of the dances the student body attends and enjoys are sponsered, organized, and set up by the Student Council. The tennis courts which many of us enjoy in our spare time as well as in phys-ed are the result of a Student Council project. A more recent undertaking that proved to be a success was the Homecoming last fall which was set up for the students by the Student Council to create enthusiasm as well as a wholesome activity. Another new project of the Council that has just begun is the addition of two more tennis courts which will add additional phys-ed area as well as more recreation.

The Student Council does not undertake these projects for its benefit but for the benefit of the students and the school. If you have criticisms of the Council or the way it has done something, do not sit by or just talk to a friend about it, tell us by way of the suggestion box or some type of written proposal. The Council was elected by you to represent you so by all means use the Council and its members to express your feelings or views.

Clubs In A Nutshell

Many clubs which provide a variety of activities for many of the students exist at West Snyder. Each club caters to the special interests of the different personalities in the school.

The Chess Club gives senior high students a broader understanding of the game of chess and provides its members with the opportunity to put their theories about chess to work in games against their fellow chess enthusiasts.

Valuable information about acting is given in the Dramatics Club. The Dramatics Club also helps students learn different terms related to acting and the stage. The Dramatics Club helps with the Christmas assembly and presents an assembly of its own.

Students who are members of the FTA learn about the problems and satisfactions of teaching. During National Education Week, the members of the FTA gain actual experience as they spend a day substituting for the faculty members at West Snyder.

Those students who have a high scholastic ability provide the school with the Junior and Senior Honor Societies. The members of the Senior Honor Society offer their services as tutors. The Junior Honor Society presents a Christmas play at the Selinsgrove State School.

The FFA at West Snyder teaches different farming skills and improved methods of farming to its members. These members also work on farm projects to receive more information on farming.

Girls who wish to have some practical experience in the career of nursing can find it in the FNA at West Snyder. These girls help with the measuring of the weight and heighth of a person, the taking of TB skin tests and, the taking of hearing and eye tests.

West Snyder has busy girls in the FHA. These girls work at several projects, one of which is serving at banquets. These girls also serve teas for the faculty, FFA, and students. They have also taken on as a project helping with the Middlecreek Valley Nursery School. This club has both a senior high section and a junior high section.

Our assemblies are helped along by members who learn about audio-visual equipment and run the projectors for assemblies. These members are of value for teachers also because this club can help the students run the projectors for the teachers as well.

Students at West Snyder who are interested in science get a deeper view into the field of science through the Junior and Senior Science Clubs.

to be cont. next col.

The Junior Science Club has an ecology project yearly. The Senior Science Club as well as the Junior Science Club members must do a project in an area of interest within science for the Susquehanna Valley Science Fair.

Any person who has received a varsity letter becomes a member of the Varsity Club. Along with the West Snyder Singers, this club sponsors an Indoor Carnival. This activity provides money for the blazers that the varsity teams and West Snyder Singers wear.

The Junior Historians Club is one which stimulates an interest in national, state, and local history. Its members take a field trip to a point that has some

Field Trips

Education at West Snyder does not consist of just a classroom routine. The school has a philosophy that learning goes on outside the classroom. This is why field trip and assemblies have become so popular in clubs and organizations around the school.

Council Ponders Issues

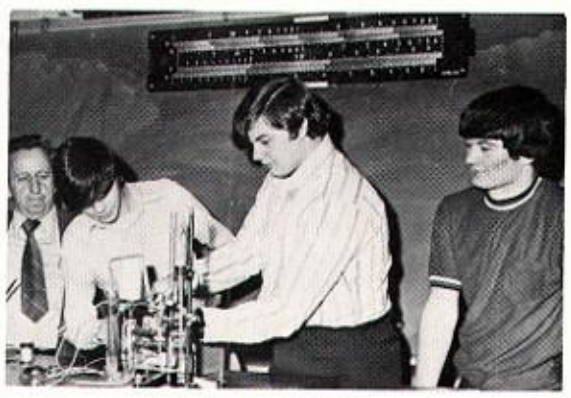
Let's play games!!

Apollo 18!??

This is a job for Super Russ!

Make your move, Johnny.



Let's get QUITE!

I hope you like TV Dinners.

Team Support

There is a saying that behind every successful man there is a successful girl; the same thing can be said about the West Snyder sports teams because they have not just one successful girl behind them, but twenty girls, the JV and Varsity cheerleaders.

The Varsity cheerleading squad is comprised of ten girls from tenth through twelfth grades. They are chosen by faculty members on the basis of their knowledge of cheers, their pep, their poise, and various other qualities.

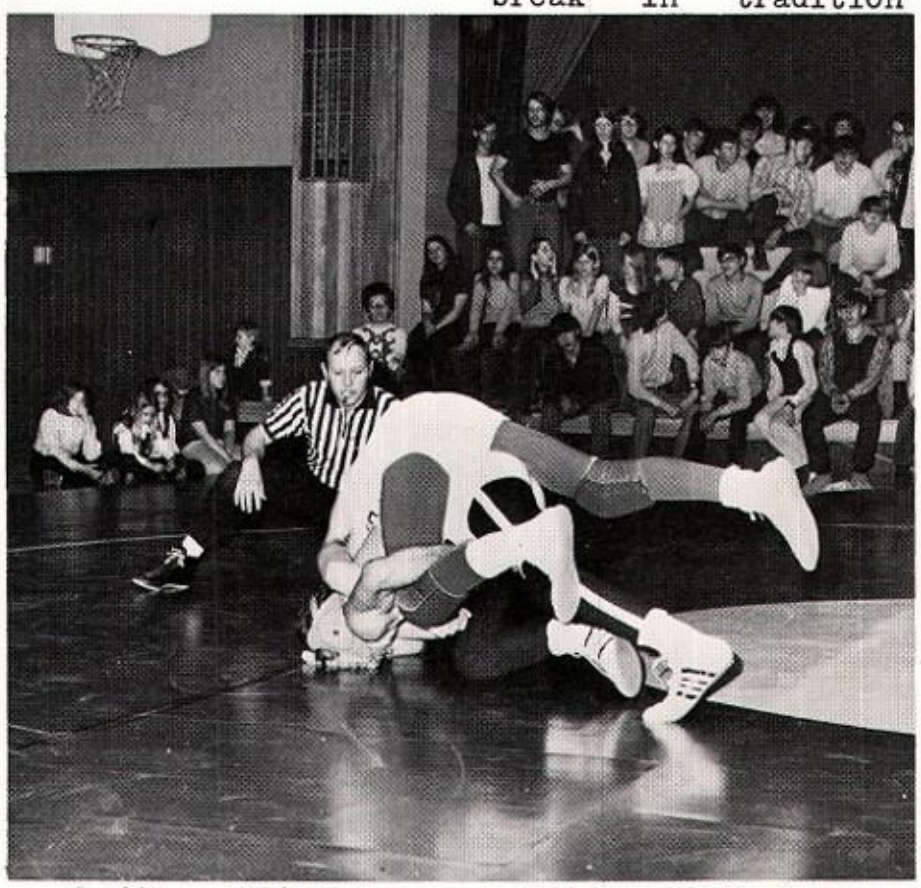
The Junior Varsity cheerleaders consist of ten eighth and ninth grade girls. They are also chosen by faculty members on the same basis as are the Varsity cheerleaders.

In the spring of each year, tryouts for the fall JV and Varsity squads are held. The girls chosen will cheer just for soccer and field hockey. At the conclusion of these sports, tryouts are held again for the winter cheerleading positions. These girls will cheer during the wrestling and basketball seasons.

Besides cheering at all sports events except baseball, softball, and golf, it is the cheerleaders' responsibility to conduct pep rallies, make signs, and generate enthusiasm within the school.

A Year Of Success

In reviewing the past athletic year the Mountie baseball team complied an overall record of 10 wins and 7 loses. The team posted a 9-5 league record which was second best only to West Perry. Although the Mounties finished in second place, five members of the squad were voted to the all-star teams. Robert Rager, Steve Knepp, and Glenn Fogel received first team honors and Mike Erb and Lynn Dean received second team honors.



Since all members of these all-star teams will be returning with the exception of Lynn Dean, these players should supply a strong nucleus for this year's team.

Last year's girls softball team posted a 6-5 league record and an overall 8-5 record.

Although there were five seniors lost to graduation, Bev Bowersox, Barb Gross, Adrienne Hetrick, Kim Kline, Dayna Knepp Kline, Dayna Knepp, and Christine Stuck should provide a strong nucleus for this year's team.

A new dimension was added to the sports curriculum last year. For the first time in history, West Snyder had its own golf team. Although West Snyder functioned as an independent team the Mountie golfers compiled a fine first year record. This first year record shows great promise for the future.

The girl's field hockey team posted an 0-8-1 record but it was only their second year of competition. Interest has been shown and an improved squad is expected next year.

The Mountie soccer team secured a fine 12-2-2 record but failed to capture the Tri-Valley League Title or the District IV Championship. This break in tradition will hopefully be corrected next year.

To date the girls basketball team has a 7-4 record. The girls have entered District IV playoffs and will play Line Mountain in their playoff game.

to be cont. next col.

A Tribute To Seniors

As the class of '73 brings it's high school career to a close, the West Snyder sports teams will be losing a lot of talent to graduation. The soccer team will be losing the following players: Glenn Fogel, center-forward; Dennis Seler, inside; Dane Aumiller, halfback; Tim Weller, halfback; Jim Geiswite, goalie; John Snyder inside; Steve Wagner, halfback; Doug Rigel, inside; and Tom Leipold, fullback.

The Field Hockey team is losing Beverly Bowersox goalie; Christine Stuck, halfback; Sue Wagner, wing; and Debbie Zieber, fullback.

The Mountie basketballers will be minus six players next year. They are Dan Mattern, forward; Glenn Fogel, guard; Mark Swanson, forward; Keith Landis, guard; Gary Wray, forward; and Alan Wray, guard. Max Lash is leaving the Varsity manager position.

The girl's basketball team will lose seniors Barbie Gross, guard; Adrienne Hetrick, forward; Mary Jo Morrison, forward; and Beverly Bowersox, center. Beverly Kratzer will retire as Varsity manager.

The Mountie grapplers will lose five varsity men. Doug Rigel, 105; John Snyder, 119; Gerry Geedey, 138; Steve Wagner, 155; and Tom Leipold, Hwt. Dennis Seler is retiring as Varsity manager.

Another fine save by Geiswite.

The action is getting rough.

Watch it! I just washed my socks.

There it goes!

Grin and bear it.

Back off Middie!

Poof!!

oooooh!?

Why me???

Somebody help me!

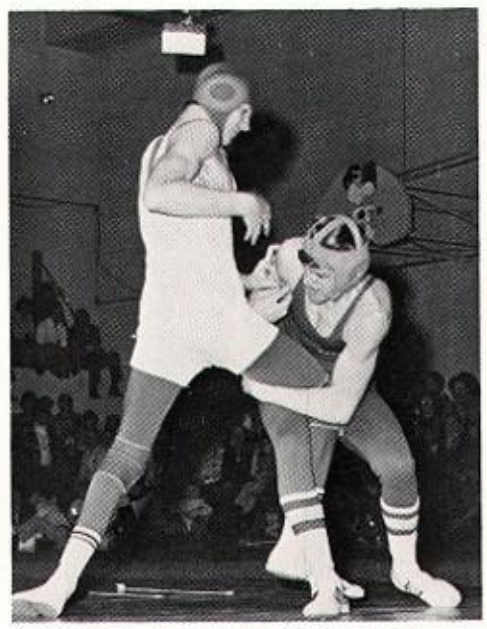
Hit him again.

Do something different.

OOpff!

Yaawwwnnn.

Chopper's crew confers.

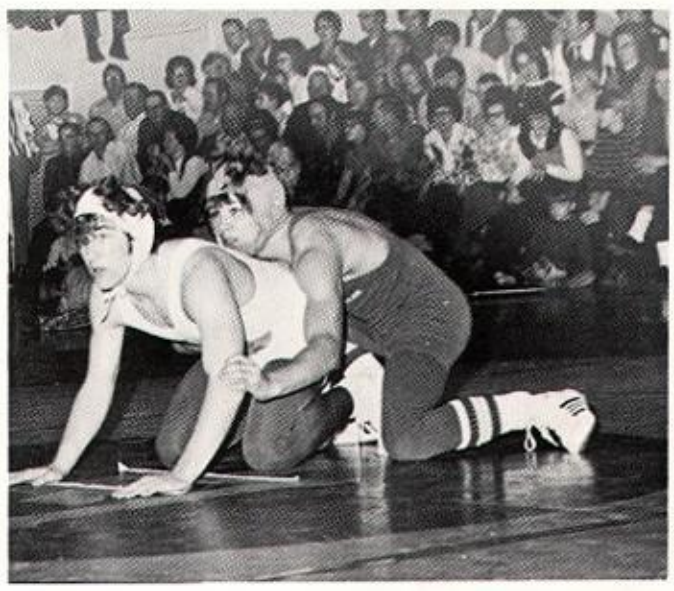


Boy, you got short legs!

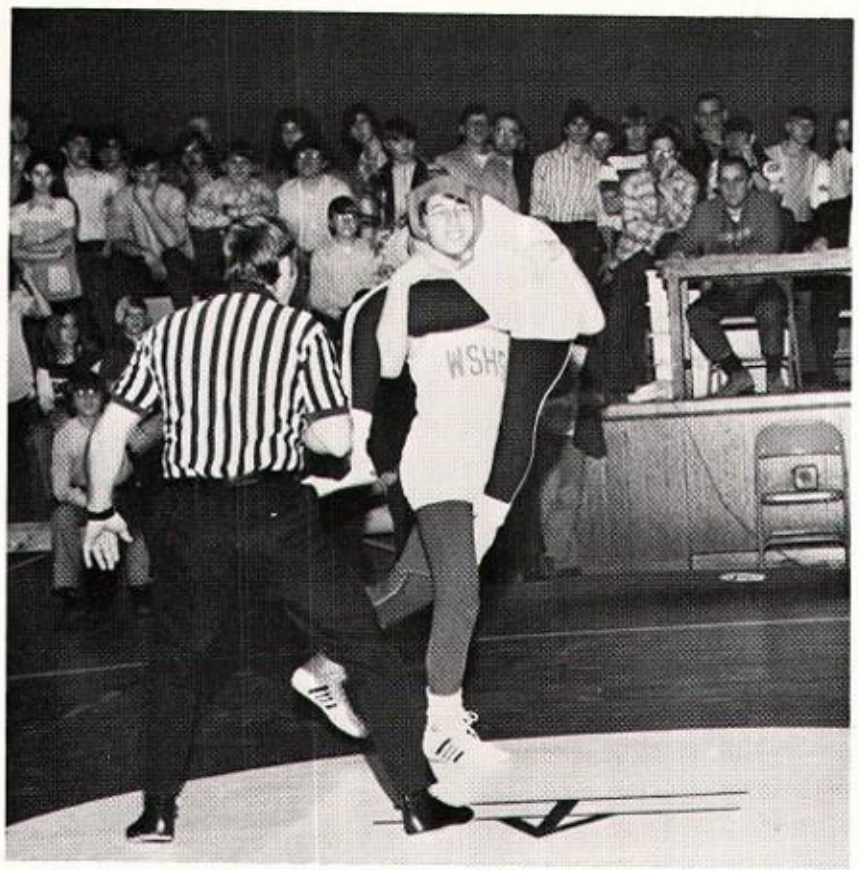
Somebody goofed!

Got it!!

Where's that @*!?@!!?* ball?

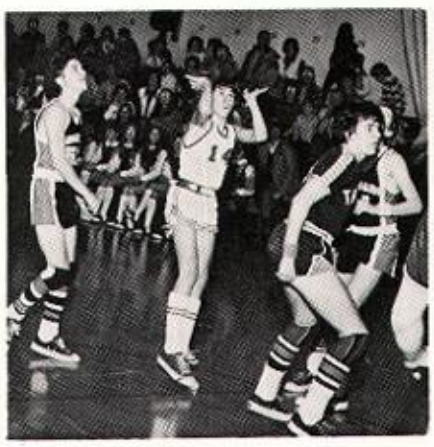


What do you mean, muscle him??



Allow me to help you to the mat.

We're in like Flinn, we're good as gold!



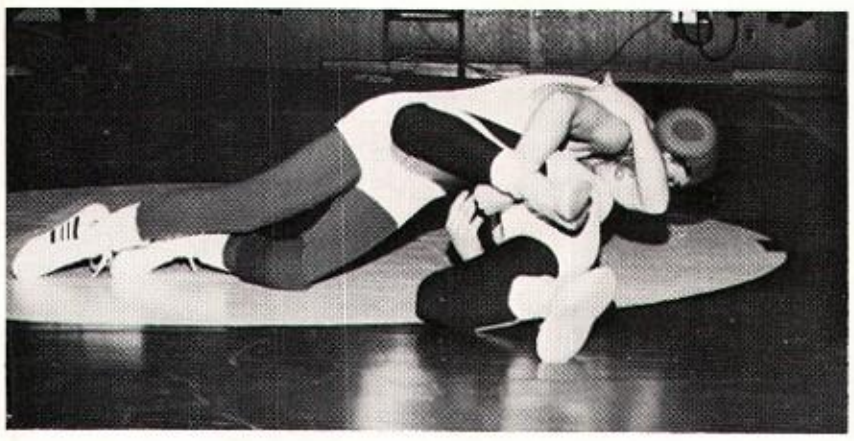
Think it'll rain?

OFF BALANCE!!!

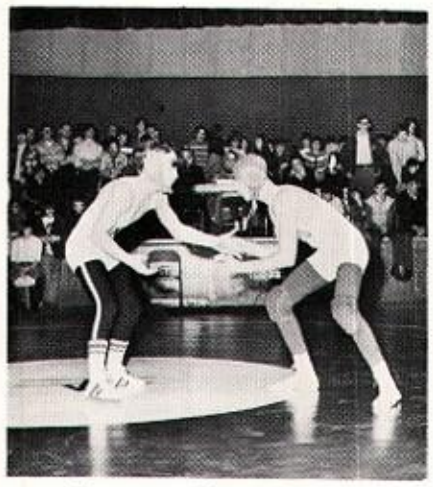
You outt'a see it when we win.

Puff!

And the crowd goes wild!



It'll all be over in a minute!

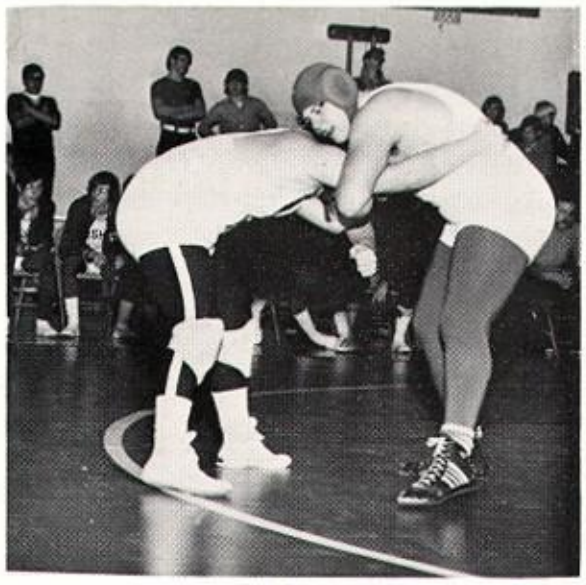


Come to Short Legs!

Did he say a lap for every goal.

I know I went out for the wrong sport!

Let's go boys.



No you don't.

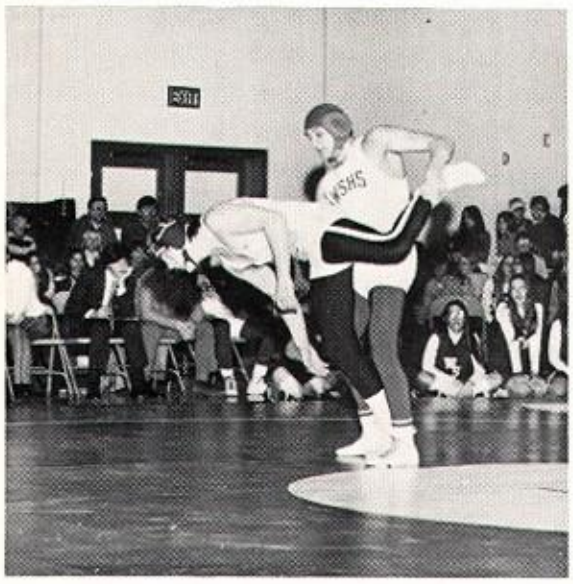
Watch it, Someone has a camera.

Toughie — Toughie!

The dancing duo!

Hack!!!

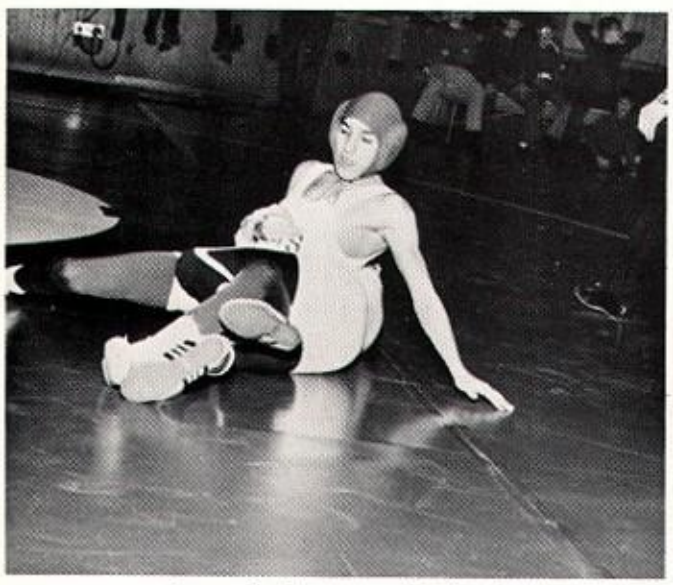
May I have this dance.



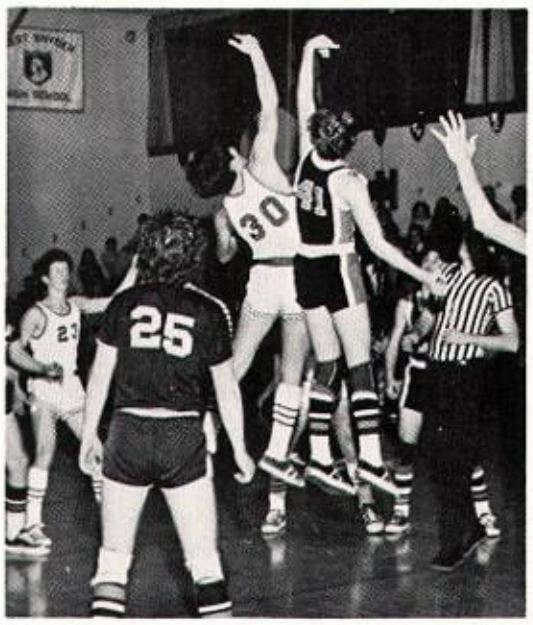
Have a nice trip.

Stuff it Cheryl.

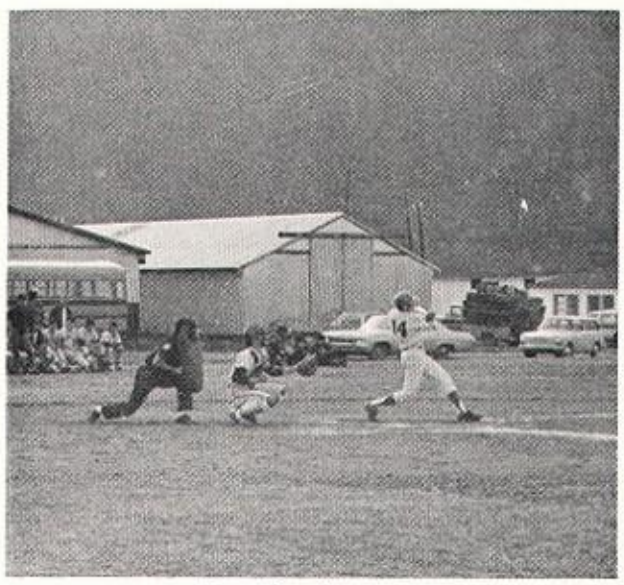
I'd jump higher if there would be a ball.



Stretch him out, Smiley!



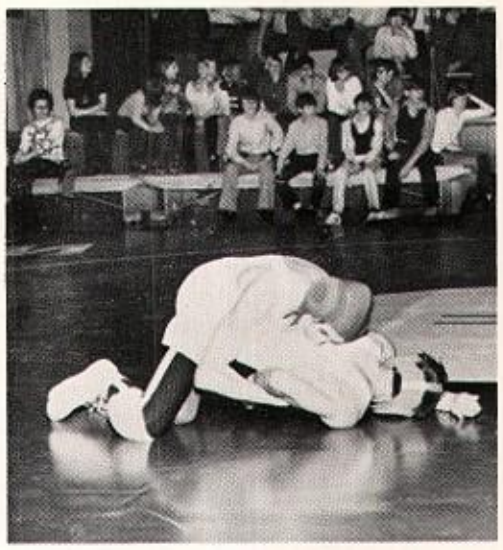
You outta see me pirouette.



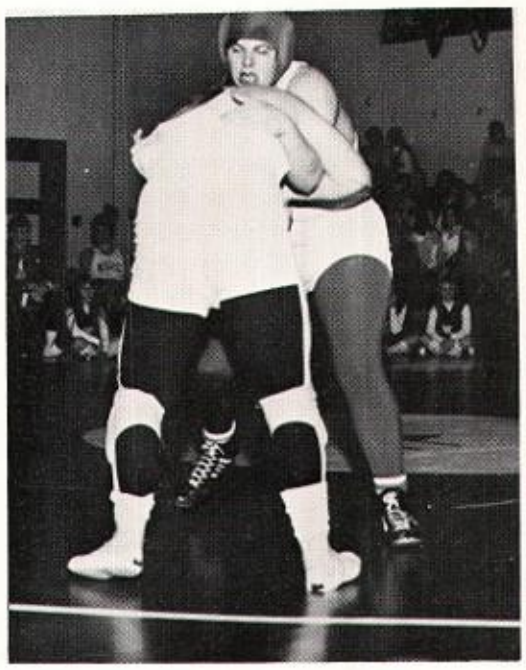
Run for it Steve.

Win this one for the gripper.

Holler when it hurts.



My eyes!!

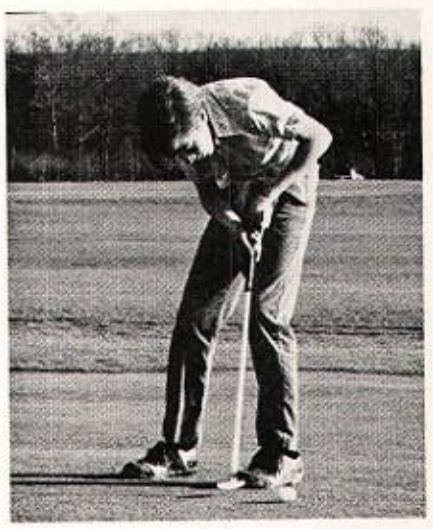


Come to papa.

What a save!

Up, up, and away.

Now, do it right!!



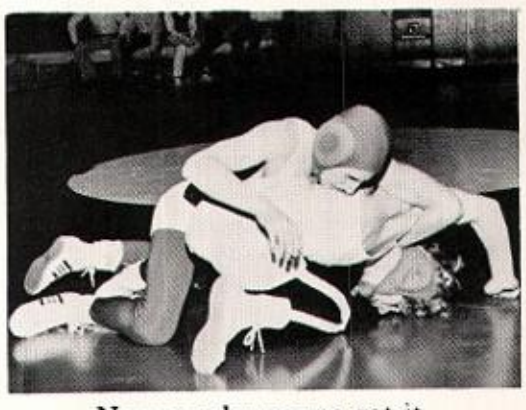
Here goes a double bogey.

I want YOU!!

This is a close one, Patty.

That did it!!

Chock up another one for us.



Now you're gonna get it.

Attend Band And Chorus

Five students represented the musical side of West Snyder in 1973 as they attended the South Central District Choral and District Band Festivals during the months of January and February.

From January 10-13, three Seniors and one Junior from a Mixed Chorus attended the District Chorus Festival held at Hollidaysburg, Pa. The vocal representatives were Cheryll Freed, Soprano; Adrienne Hetrick, Alto; Dean Rigel, Tenor; and John Sharadin, Bass. The guest conductor was the Director of Choral Activities at Juniata College in Huntington, Pa., Mr. Bruce Hirsch. The concert, held on Saturday evening, January 13, contained such songs as "Jubilate Deo," "The Road Not Taken," "The Sounds of the Carpenters," and "Transmuted."

Several weeks later, Cheryll Freed and Susie Frey, a Senior and a Junior, attended the annual District Band Concert held in Phillipsburg, Pa. with the guest conductor being Mr. Dunlop, the director of the Penn State Blue Band.

Susie Frey, who took first chair, played the tenor sax and Cheryll Freed played the alto sax. The instrumental students from the schools performed for the public on Saturday, February 3, and they played several selections including "Trojan March," "Charlie Chaplin Band Portrait," and "The Silver Cornets."

Monthly Awards Given

Two awards are bestowed upon deserving students each month at West Snyder. These are the Student of the Month Award, sponsored by the West Snyder Rotary Club, and the Young American Award, sponsored by the Susquehanna Valley Area Chamber of Commerce. Students are chosen by the faculty to receive these awards.

The Student of the Month is a student who has made an outstanding accomplishment during that month. This accomplishment may be in any field and the only requirement is that the student must have an average citizenship grade.

The student chosen each month is then honored at a dinner-meeting of the West Snyder Rotary Club.

Seniors are the only students eligible for the Young American Award. Again, an

to be cont. next col.

average citizenship grade is required. Students are selected for this award on the basis of loyalty, integrity, honesty, scholarship, leadership, Americanism, and participation in school and community activities.

Students who have received the Student of the Month Award this year are: September, Steve Wray; October, Cheryl Kline; November, Kim Kline; December, Diane Kline; and January, Wendell Byler.

Young Americans include Russ Kauffman for the month of October, Adrienne Hetrick for November, Sue Wagner for December, Cheryl Kline for January, and Christine Stuck for February.

Aggravated Agnes

The last day of school has come and gone, and poor Aggravated Agnes still hasn't recovered from her disastrous day.

With the excitement of the final day of school being so near, Agnes got only one hour of sleep. That explained why she snored when the principal was bidding a nappy summer speech to the students in the assembly. After being practically mutilated by fellow students and teachers surrounding her, Agnes was determined to be attentive for the rest of the assembly.

She was doing a fairly good job of staying awake until the presentations of awards. Agnes, quite bored, dozed off a little, and when she woke up she thought she heard her name being called to come forward. She jerked and sprung to her feet. The next thing she knew, she was being presented with an all-star soccer trophy. Poor Agnes must have been dreaming. .

After the assembly, Agnes realized it was time to hand in her textbooks. She was so tired that morning that she placed her papers in her lunchbox and her sandwich in her science book. Upon opening the book, she found a peanut butter and jelly sandwich smashed between the pages. Oh my, what else could happen? With Agnes, one could expect anything.

The final disastrous incident occured when Agnes was squatting down at her locker. While she was cleaning out the tons of papers she found she had no place to keep her locker key so she put it in her mouth for safe-keeping. Her arch-enemy, Bertha Brat, saw Agnes swamped with the papers and purposely bumped her when passing. Agnes gasped and swallowed the key. Well, it looks like Agnes would be stuck with this locker next year. But why did it have to be number thirteen?

to be cont. next col.

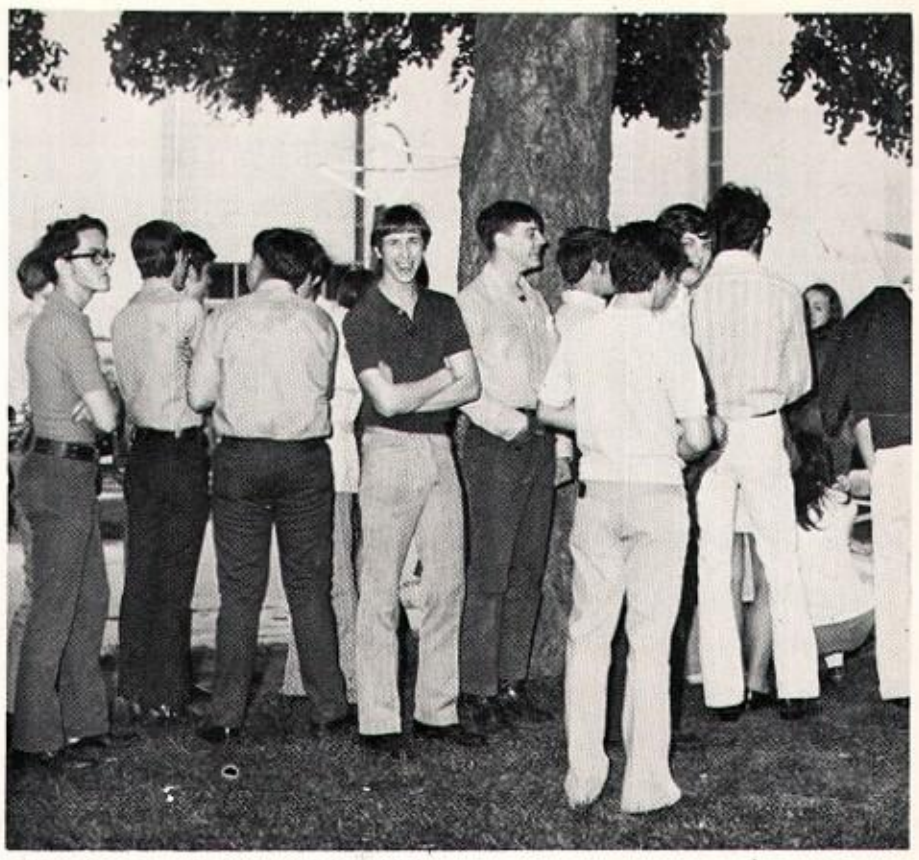
Graduation

On June 5, another class of Seniors will have passed through the halls and doors of West Snyder. They will leave with an experience which hopefully has prepared them for the world of reality that awaits. Their years at West Snyder will be the framework with which they will either sink or swim.

On graduation day, as the Senior stands in line to receive his diploma, memories will swim in his head. He will remember his first day. He will remember 90, young, frightened students searching for their homerooms. And then his memory will jump ahead to another first day, his first day as a Senior, confident and at ease, pretending that the world lies at his feet waiting for his command. But then the senior will receive his diploma and his bubble that he has lived in for six years will burst. Hopefully, a young man will emerge. Every time this happens, West Snyder's star shines a little brighter, and every time a young man emerges, an extra sparkle will be noticed.

Now, as the class of 1973 bids its farewell, there is only one hope in its mind, that in years to come the star will not tarnish and that the class will be able to look back on its high school career and say that these were its finest years.

GOOD-BYE.



Senior Farewell

On June 3 and 5, 1973, eighty-seven West Snyder High School Seniors enjoyed the honor of graduation. At a Baccalaureate service on Sunday, June 3, the graduating class listened to the message of Rev. Kenneth Swanson. In addition, songs were sung by several vocalists of the school.

Two days later on June 5, the Class of '73 found themselves experiencing commencement as they marched down the center aisle of West Snyder's auditorium while the Junior Band played "Pomp and Circumstance." The Valedictorian and the Salutitorian then individually addressed the members of the class along with their teachers, parents, and friends. After making a brief speech, the principal, Mr. Kline, awarded several seniors such honors as The Best Male and The Best Female Athlete, The Foreign Language Award, and The Citizenship Award. Immediatly following this, the Midd-West School District Superintendent, Mr. Howard Master, addressed the Class of 1973. Finally, Mr. William Kepner Sr., President of the Midd-West District School Board presented the eighty-seven diplomas to the seniors as their high school years came to a close and their future began.

DELMAR
